The NYYC World Invitational acceptance deadline is moving closer and we are very excited by having received so many acceptances already. If you are one of the Clubs that have not yet sent your acceptance we urge you to do so very soon as the availability of yachts to charter is limited and we may be oversubscribed.

Given the response so far and knowing that there are many Swan 42 owners within the invited Clubs from Europe, we would encourage you to bring your own boat to Newport so that the fleet may be maximized. This will be one of the greatest events of the decade and bringing our own boat would also enable you to race at many southern and Caribbean events, including Key West Race Week, where we know that at least 10 Swan 42's will participate from the U.S.A.

The Notice of Race has been finalized and can be found at the event website [www.nyyc.org/invitationalcup](http://www.nyyc.org/invitationalcup).

If you have decided not to accept our invitation, a note advising of that decision will be much appreciated.

If you have further questions please do not hesitate to contact me.

My very best wishes,

John M Mendez
