

**Bulletin #9**  
**August 27, 2010**

**Sailing Instructions:** Attached please find the Sailing Instructions for the 2010 NYYC Invitational Cup-US Qualifying Series. So that your team will be prepared when they arrive at Harbour Court, I would like to draw your attention to the following items from the SI's:

- 1.8 USCG-approved PFDs shall be worn at all times while on the water except while actively adding or removing clothing. This modifies the preamble to Part 4 and rule 40. **Competitors must supply their own PFDs.**
- 19.2 **Support boats, including coach and spectator boats, shall clearly display the burgee (a minimum of 12" on the hoist) of the yacht club with which they are associated** at the top of the pole provided.

Translation: Please be sure that your sailors bring Coast Guard approved PFDs to wear while racing and that all support boats associated with your team/club bring a burgee to fly while viewing the races.

**Passports:** We have had a number of questions from competitors asking if they need to present their physical passport at registration and the answer to that question is yes. Please be sure that all members of your team are aware of this.

**Email Addresses:** At this point in time we would like to include your team on all correspondence regarding the IC-USQS. If you would please forward the email address of your skipper and crew to Beth Duggan in the Sailing Office ([dugganb@nyyc.org](mailto:dugganb@nyyc.org)), we would appreciate it.

Thank you very much. We look forward to seeing you soon.

Best regards,
