EVENT Q&A #1

June 16, 2022

Question

When an umpire decides to penalize a boat under rule UF 3.2(b) for a breach of a 'Boat Handling' rule in SI Addendum A rule A2.1 while racing, will he make a signal to inform the boat that a one-point penalty will be imposed?

Answer

Yes. The umpire will make one long sound and display a black and white flag to signal that the incident will be reported to the protest committee.
