

# BAYERISCHER YACHT-CLUB

*STARNBERG, GERMANY*

Twelve gentlemen founded the association on August 18, 1888 in the small pavilion of Edgar Hanfstaengl's Tutzing estate. Another 16 gentlemen joined it on the same day, so that the association had a total of 28 members on the first day. BYC is the oldest, and with close to 1000 members, the largest sailing club in Southern Germany. Since its founding, it committed itself to regatta sports as well as to youth sailing programs.

The club placed 6th in the inaugural Global Team Race in 2018 and 8th in the 2019 Global Team Race.
