

# SORRENTO SAILING COUTA BOAT CLUB

## *SORRENTO, AUSTRALIA*

SSCBC had its origins in November 1948 when the inaugural race was held featuring seven diverse craft, some quite primitive by today's standards. From these humble beginnings, Sorrento Sailing Club was formed and began the voyage to its present-day strength. The emphasis has always been on creating a friendly family environment and providing opportunities for juniors and youth; a focus that continues today.

SSCBC is located at the southern end of the Mornington Peninsula, easily accessible from Melbourne. It's home to the largest fleet of Couta Boats in Australia.

The club placed 9th in the 2019 Global Team Race and 11th in the inaugural Global Team Race in 2018.
