## *SAN FRANCISCO, USA*

The St. Francis Yacht Club was founded in 1927. Through the years, the club served the sport, and it anchored yachting on San Francisco Bay. The club, which is situated on San Francisco Bay, is just east of the Golden Gate, inaugurated its Perpetual Trophy Regatta in 1963, and this annual September gathering—the Rolex Big Boat Series—is its signature event.

The club won the 2019 Global Team Race and placed third in the inaugural Global Team Race in 2018.
