

# HINMAN MASTERS

August 19-20

## FINAL RESULTS

1. Each race is won by the team with the lowest points
2. The winning team gets one point; the losing team gets zero
3. Teams are ranked in order, with the team with the most overall points being the winner
4. Ties between teams in the overall standings are broken by who beats who the most
5. Three round robins are planned; a round robin must be completed in order for any of the races in that round to count
