**CLUB PROFILE:** The Pensacola Yacht and Motor Boat Club was launched in 1908. This was an exciting era for Pensacola as the city began to prosper from its bustling port and the anticipated trade from the soon-to-be-opened Panama Canal. Businesses were booming, the iconic San Carlos hotel was being constructed, two “high-rise” commercial buildings had been completed, the trolley car line had been extended several blocks up to East Hill and many streets were being paved.

Today, the iconic PYC clubhouse stands as a historic landmark along the northern Gulf Coast. After 100 years, Pensacola Yacht Club continues to be a favorite port of call for all boaters because of its longstanding maritime traditions and welcoming Southern hospitality.

**ADDITIONAL TEAM INFORMATION:** Pensacola Yacht Club’s team was selected based on sailors who are most active and successful competing against other Gulf Yachting Association clubs in the annual GYA Capdevielle series sailed in Viper 640's throughout the year.

*“The team feels that their experience in Viper 640s will translate to the RS21, and they were able to practice on a locally owned Sonar. They look forward to a couple more days of practice at the venue prior to the regatta commencing.”*
