

ST. FRANCIS YACHT CLUB

SAN FRANCISCO, CALIFORNIA

2022 RESOLUTE CUP TEAM

SKIPPER: Peter Vessella

TACTICIAN: Tracy Usher

CLUB PROFILE: The St. Francis Yacht Club was founded in 1927 by a group of 21 San Francisco yachtsmen. Through the years, the club served the sport, and it anchored yachting on the San Francisco Bay. The club, which is situated on the San Francisco Bay just east of the Golden Gate, inaugurated its Perpetual Trophy Regatta in 1963, and this annual September gathering—now called the Rolex Big Boat Series—is its signature event.

“If you’re a corinthian sailor, participating in the prestigious Resolute Cup is an opportunity to compete and test your skills against other amateur sailors from around the country. Being organized by the NYYC assures it will be fair and well run. This will be my second time representing StFYC as team captain. My teammates, Tracy Usher, Allie Rowe, and Mike Bishop are all experienced and accomplished sailors. We have sailed together on the Sonar in the NYYC team racing events and J70’s. The RS21 will be a new experience, but similar to sailing other sprit boats.”

— PETER VESSELLA, Skipper
