

**2022 Resolute Cup  
Bulletin #1 - July 10, 2022**

The Resolute Cup is back! After missing the 2020 edition, we are especially excited to welcome you to Harbour Court in September for the sixth running of this Corinthian Championship for U.S. clubs. Nine weeks and counting!

This is the first of several communications you will receive to keep you updated on all things Resolute Cup. So as not to inundate you with too much information, we will start with the basics, including the forms that need to be processed in the next couple of weeks. Information regarding Harbour Court, regatta clothing, social reservations, etc., will follow over the course of the summer.

**ENTRY LIST**

We are delighted to present the [Entry List](#) for the 2022 Resolute Cup. Twenty-four teams from across the United States are set to compete. As in the past, the teams are stacked and the competition promises to be epic.

**RACE DOCUMENTS**

Visit the Resolute Cup [webpage](#) to access all event documents, including the [Notice of Race](#), and other regatta information.

## TEAM/CLUB INFORMATION FORM

After a very busy start to the racing season at NYYC, the Communications Department is ready to start processing team and club information for the Resolute Cup. A brief history of your club, along with specifics about your team, will allow them to weave the story of the 2022 Resolute Cup to then share with the world. We ask that you please submit the [Team Information Form](#) no later than Friday, July 22. Early submissions are encouraged and appreciated.

## CREW LIST

Each team must submit the [Crew List Form](#) via the online form no later than Friday, July 22. This form captures club membership and sailor classification information for each competitor. Registration will not be considered complete until all information has been received, checked and verified. Early submissions are encouraged and appreciated.

## WORLD SAILING CATEGORIZATION

Per NOR 1.3, all competitors shall be classified as Group 1. Those without a classification or with an expired classification will not be eligible to sail. Click [here](#) to obtain or renew your World Sailing categorization. Each sailor's categorization is due July 22 as part of the Crew List. If you do not have a current categorization and have not yet started the process, we suggest you do so immediately. It can take a while to complete!

## ACCOMMODATIONS

September is a beautiful but very busy time of year in Newport, and we encourage you and your team to make accommodation reservations early. The [Accommodations List](#) for the Newport area includes information regarding nearby hotels, rental agencies and ground transportation.
