12 **COURSES**

The course will be a port-hand box as described in the sailing instructions.

13 **UMPIRING**

It is the intention for the regatta to be umpired in accordance with Appendix D rule D2, as modified by the sailing instructions. Teams will be asked to provide a competitor(s) to assist the umpires when off rotation. This will not be considered to be a conflict of interest.

14 **PROTESTS**

When practicable, protests other than those under rule D2.2, and redress requests will be heard on the water.

15 **PFDS AND VHF RADIO**

15.1 All competitors shall wear a PFD approved by either the U.S. Coast Guard or the competitor's national authority at all times while on the water except while actively adding or removing clothing. Competitors shall provide their own PFDs. Bibs provided by the Organizing Authority or supplied by the team shall be worn over PFDs while racing.

15.2 All boats shall carry a marine band VHF radio capable of receiving normal US channels. Competitors shall provide their own VHF radios.

16 **WAIVER AND DAMAGE DEPOSIT**

16.1 As a condition of entry, each owner, skipper and participating crew member shall submit, prior to racing, an online liability waiver/media release and a COVID-19 release. The links to both forms can be found on the event website.

16.2 Competitors participate in the regatta entirely at their own risk. See RRS 3, Decision to Race. The Organizing Authority, New York Yacht Club, and any official sponsors will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the regatta. Attention is also drawn to RRS 46 and USSER 1.2, Responsibility.

16.3 All skippers will be required to provide a \$500 damage deposit prior to the start of racing by providing credit card information or NYYC member number at registration. The deposit is a per-incident maximum, and includes damage to boats or race committee vessels. If a skipper has more than one incident, he or she is then liable for up to \$500 for each individual incident. The OA may require the damage deposit to be restored to its original amount before a team will be permitted to continue racing. Skippers should be aware that while the Team Race Representative or Waterfront Staff will attempt to identify all damage at the post-regatta inspection, often this is not possible due to the nature of the damage. The skipper is responsible for all damage, even if it is discovered only after the post-regatta report is completed and signed. In the event that there is material damage not covered by insurance and no one acknowledges responsibility (e.g., crews are rotated among the boats and no one reports the damage), the cost of repairs will be charged to all the designated skippers on a prorated basis.
