SI Amendment #1: Attached please find Amendment #1 to the SI's, which can also be found on the website: [Click Here for IC Website](#)

Follow the IC: The Rolex NYYC Invitational Cup has always been more than just a regatta. With each team representing a club, some on the other side of the world, the New York Yacht Club has looked for innovative ways to bring the regatta to fellow club members, family and friends and avid fans of sailing no matter where they are located. The attached document provides information on how your family, friends, and fellow club members can follow the IC from wherever they happen to be.

Text Alerts: We'll be using **TextCaster** to keep competitors and spectators informed of key regatta decisions including on-shore and on the water postponements, party schedules and other pertinent information. To sign up for these alerts please [Click Here](#)

Lunches for Competitors: For those teams who need help procuring lunches for the week, there are a number of excellent restaurants/delis in Newport. Attached you will find a list of three of our favorites. Contact them directly for menus and delivery options.
