

**Bulletin #2**  
**January 17, 2017**

Happy New Year! Planning for the fifth running of the Rolex NYYC Invitational Cup is on track and we are now moving into what we call the “participant communication” phase. Over the next several months you will receive a number of “bulletins” from the Sailing Office, packed with pertinent information meant to keep you updated on “all things IC”. Following is information regarding housing, which is a piece of the puzzle that is best confirmed earlier rather than later!

**Housing in Newport** – September is a beautiful, but very busy, time of year in Newport. We encourage you and your team to make accommodation reservations early. Attached please find the [Accommodations List](#) for the Newport area showing nearby hotels and rental agencies, as well as ground transportation information. In addition to “off-campus housing”, Harbour Court, our Newport headquarters, has a limited number of overnight accommodations.

**Housing at Harbour Court:** As our guest during the regatta you are welcome to reserve a room or an apartment for yourself, your crew and/or club VIPs. Rooms range in size from double occupancy units to suites and multi-room apartments. The Quartermaster is handling all of the “on-campus” housing for the regatta and can help you with information regarding specific accommodations, rates and availability. The Quartermaster can be reached at 401-846-1000 or [quartermastershc@nyyc.org](mailto:quartermastershc@nyyc.org).

If you have any questions or we can be of assistance, please let us know.

Thank you and best regards,

A handwritten signature in black ink, appearing to read "Patricia J. Young". The signature is fluid and cursive, with a long, sweeping tail that loops back to the left.

Patricia J. Young
