The NYYC has reserved dock spaces at the Alofsin Piers at Fort Adams (west side of the harbor), for use by teams to wash down their boats after racing. We have assigned each team a Mandatory Washdown Day during regatta. Teams listed above have priority on their assigned days after sailing. Once those teams have left the dock other teams may bring their boat to the dock on a first-come-first-serve basis. "OPEN" days are first-come-first-serve for all teams. Hoses, brushes, buckets and soap are on the docks.
