

Bulletin #1
May 7, 2018

Welcome to the fifth running of NYYC Resolute Cup! This is the first of several communications you will receive over the next few months to keep you updated on everything having to do with the regatta. Our hope is to answer your questions before you have to ask, but if there is something we have missed, just say the word.

Entry List: Attached please find the entry list for the 2018 Resolute Cup. Teams from across the United States, including seven new to the regatta, are set to compete and the talent pool is deep. Once again, the Resolute Cup promises to be one of the most competitive regattas in the country.

Accommodations: September is a beautiful, but very busy, time of year in Newport, and we encourage you and your team to make accommodation reservations early. Attached please find the Accommodations List for the Newport area showing nearby hotels and rental agencies, as well as ground transportation information.

Housing at Harbour Court: In addition to “off-campus housing”, Harbour Court, our Newport headquarters, has a limited number of overnight accommodations. As our guest during the regatta you are welcome to reserve a room or an apartment for yourself, your crew and/or club VIPs. Rooms range in size from double occupancy units to suites and multi-room apartments. For more information, please contact House Manager, Peter Livasp, at livasp@nyyc.org or Peter Cavanaugh at the Quartermaster Desk at cavanaughp@nyyc.org. Both may also be reached by phone at 401-846-1000. They will be happy to help you with information regarding specific accommodations, rates and availability, along with the special regatta package. Please be advised that all rooms will be released for general, non-regatta booking after May 31.

Many thanks for your attention to these details. Please stay tuned for more information coming your way in the weeks and months ahead.

Best regards,

Sarah A. Gochberg
