

Bulletin #3
June 25, 2018

ENTRY FORM PART 2 - Eligibility Form Affidavit: We ask that each team please complete Entry Form Part 2 as soon as possible but not later than July 27. Following is the link to the form, which is also available on the regatta website: [Entry Form Part 2-Eligibility Affidavit](#). Please note that a Flag Officer of your club must verify the information submitted as this form serves as an affidavit of your team's compliance with the eligibility requirements of the Notice of Race.

WAIVER OF LIABILITY: Please ask each crewmember to complete the [Waiver of Liability Form](#) at their earliest convenience. In addition to capturing emergency contact information for all of the sailors in the regatta, it also provides contact information, which allows us to include your entire crew in all regatta-related correspondence.

SCHEDULE OF EVENTS: Attached please find the Preliminary Schedule of Events for the Resolute Cup. Locations and times may be subject to change.

FRIENDLY REMINDER: We are still missing some club's Information Forms (due June 22). If you have not yet submitted the form, please do so now.
