**12 COURSES**

The course will be described in the sailing instructions.

**13 UMPIRING**

It is the intention for the regatta to be umpired in accordance with RRS Appendix D, rule D2, as modified by the sailing instructions. Teams may be asked to provide a competitor(s) to assist the umpires when off rotation. This will not be considered to be a conflict of interest.

**14 PROTESTS**

When practicable, protests other than those under RRS D2.2, and redress requests will be heard on the water.

**15 PFDS AND VHF RADIO**

**15.1** RRS 40.1 shall apply at all times on the water. In addition, the end of the first sentence of RRS 40.1 is changed to read “except while actively adding or removing clothing.” Competitors must supply their own USCG-approved PFDS. PFDS shall be worn outside of all clothing except team identification bibs. Bibs provided by the Organizing Authority or supplied by the team shall be worn over PFDS while racing. A breach of this paragraph may only be protested by the race committee, protest committee or Umpires. This changes RRS 60.1(a).

**15.2** All boats shall carry a marine band VHF radio capable of receiving normal US channels. Competitors shall provide their own VHF radios.

**16 WAIVER AND DAMAGE DEPOSIT**

**16.1** As a condition of entry, each skipper and participating crew member shall submit, prior to racing, an online liability waiver/media release. The link can be found on the event website.

**16.2** Competitors participate in the regatta entirely at their own risk. See RRS 3, Decision to Race. The Organizing Authority, NYYC and any official sponsors will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during or after the regatta. Attention is also drawn to RRS 46 and USSER 1.2, Responsibility.

**16.3** All skippers will be required to provide a \$1000 damage deposit prior to the start of racing by providing credit card information or NYYC member number at registration. The deposit is a per-incident maximum, and includes damage to boats or race committee vessels. If a skipper has more than one incident, she is then liable for up to \$1000 for each individual incident. The OA may require the damage deposit to be restored to its original amount before a team will be permitted to continue racing. Skippers should be aware that while the Team Race Representative or Waterfront Staff will attempt to identify all damage at the post-regatta inspection, often this is not possible due to the nature of the damage. The skipper is responsible for all damage, even if it is discovered only after the post-regatta report is completed and signed. In the event that there is material damage not covered by insurance and no one acknowledges responsibility (e.g., crews are rotated among the boats and no one reports the damage), the cost of repairs will be charged to all the designated skippers on a prorated basis.
