NOTICE OF RACE incorporating Amendment 1 (in red)

Posted August 30, 2024

The Organizing Authority (OA) is the New York Yacht Club Regatta Association, Inc. (NYYC RA). The regatta website can be found at: <https://nyyc.org/2024-resolute-cup>.

GENERAL FORMAT

The 2024 Resolute Cup is an invitational fleet racing regatta to be sailed in evenly matched Sonar-type boats. The primary goal is to select a Corinthian keelboat champion among preeminent U.S. yacht clubs. The Resolute Cup will also serve as a path for one U.S. yacht club to receive an invitation to the 2025 Rolex NYYC Invitational Cup to be sailed in IC37s.

1 RULES

- 1.1** The regatta will be governed by the rules as defined in *The Racing Rules of Sailing* (RRS).
- 1.2** The following additional documents will govern the regatta. The additional documents are subject to change.
 - 1.2.1 Appendix UF - Umpired Fleet Racing NYYC Resolute Cup Edition;
 - 1.2.2 the “Handling of Boats” addendum to the sailing instructions;
 - 1.2.3 World Sailing (“WS”) Sailor Categorization Code, Regulation 22; and
 - 1.2.4 WS Advertising Code, Regulation 20.
- 1.3** On-the-water umpiring will be used as detailed in Appendix UF. Event calls may be issued.
- 1.4** In addition to the penalties described in Appendix UF, the Protest Committee may impose suitable penalties, other than disqualification, for violations of the “Handling of Boats” or other non-Part 2 rules. This changes RRS 64.2.
- 1.5** RRS 62.1 is changed by adding new paragraph (e):
 - (e) catastrophic physical damage not falling within RRS 62.1(b) that was due to defective supplied equipment and that a reasonably competent crew would not have been able to avoid or promptly repair.
- 1.6** Participation in the regatta is only by invitation. When the protest committee finds that a boat or team’s competitor has broken one or more rules involving repeated breach of boat handling requirements, serious damage caused by reckless sailing or poor seamanship, poor sportsmanship or misconduct as described in RRS 69.1(b), it shall make a report to the OA, who may revoke that team’s invitation and excuse the team from the remainder of the regatta. The OA may also take this action without such a report after consultation with regatta management.
- 1.7** RRS 40.1 shall apply at all times on the water. In addition, the end of the first sentence of RRS 40.1 is changed to read “except while actively adding or removing clothing.” Competitors must supply their own USCG-approved PFDs. PFDs shall be worn outside of all clothing except team identification bibs. Bibs provided by the OA or supplied by the team shall be worn over PFDs while racing. A breach of this sailing

instruction may only be protested by the race committee, protest committee or umpires. This changes RRS 60.1(a).

1.8 The US Sailing prescription to RRS 63.2 is deleted.

1.9 Sonar class rules do not apply.

2 BOATS AND SAILS

2.1 Sonar-type boats will be provided for competition.

2.2 Boats will be rotated as described in the sailing instructions.

2.3 Sails will be provided by the OA. Spinnakers will be used except as described in the sailing instructions.

2.4 All boats shall be standardized by the OA to ensure as level a playing field as possible. Specific permitted and restricted actions will be included in the “Handling of Boats” addendum to the sailing instructions. This includes, but is not limited to, the following provisions:

- a) Rigs will be tuned equally and preset by the OA before the regatta. Rig tension and mast block positioning shall not be adjusted by competitors or their support persons. The OA may adjust the rig tune of the entire fleet to match anticipated conditions.
- b) Competitors wishing to change any rig tuning adjustments to bring the rig back into compliance with the fleet standard shall request in writing that the OA make a change. Forms will be available at registration. The OA has final authority in deciding whether an adjustment will be made.
- c) Competitors or their support persons shall not sand, clean or fair the bottom or foils of their boats, or so arrange for such work to be done.

Staff will attempt to identify all damage at the post-regatta inspection, often this is not possible due to the nature of the damage. The skipper is responsible for all damage, even if it is discovered only after the post-regatta report is completed and signed. In the event that there is material damage not covered by insurance and no one acknowledges responsibility (e.g., crews are rotated among the boats and no one reports the damage), the cost of repairs will be charged to all the designated skippers on a prorated basis.
